

# Screen

Design: Franca Lucarelli - Bruna Rapisarda

Curioso, esibizionista e mutevole.  
I motivi floreali combinati all'aspetto essenziale  
e tecnologico ammiccano al desiderio di decoro  
a cui aspirano moda e arredamento.

*Curious, exhibitionist and changeable.  
The floral motifs combined to the essential and  
technological nature flirt with the desire of decorum to  
which they aspire fashion and home decor.*
